PROFESSIONAL SUMMARY

Inquisitive Computer Science student with a profound passion for innovation and collaborative problem-solving. Currently pursuing a **Bachelor's degree in Computer Science and Engineering**. Proficient in **C/C++, and Python**, I possess a strong foundation in **object-oriented design, data structures, and algorithms**. I am eager to leverage my **technical acumen** and **team collaboration skills** to contribute to the organization's dynamic environment. I aim to design and develop pioneering solutions within the distributed computing landscape, seeking opportunities to contribute to industry-leading transformations while delivering high-quality software products.

EDUCATION

ABES Engineering College,   Expected 2025
Bachelor of Technology, Computer Science and Engineering (AIML)

Delhi Public School Ghaziabad,   2018 - 2021
High School Diploma

EXPERIENCE

Technical Content Writer   Feb 2023 - Present
GeeksforGeeks

- Translated intricate concepts into compelling, reader-friendly content, ensuring clarity and engagement.
- Skilled in research, communication, and delivering impactful documentation.

Web Development Intern   Dec 2022 - Feb 2023
IBM SkillsBuild Program

- Utilized HTML, CSS, and JavaScript to develop interactive website features and components.
- Collaborated with cross-functional teams, participating in design discussions and offering innovative solutions.

PROJECTS

- **Sehpaathi- Virtual Study Group Finder**
  - Developed a **collaborative study platform**, connecting students and fostering group learning dynamics.
  - Engineered a profile creation system, enabling users to showcase expertise and define study preferences.

- **SprachSchatz- German Learning Platform**
  - Developed **an engaging and interactive online platform** using HTML, CSS, and JavaScript to facilitate immersive learning of the German language.
  - Implemented a comprehensive curriculum structure, integrating multimedia elements to enhance the learning experience.

SKILLS

Languages	C/C++, Python, HTML, CSS, JavaScript, SQL
Lib/Frameworks	Bootstrap, Node, React, Restful API
Soft Skills	Critical Thinking, Attention to detail, Communication

LEADERSHIP

- **Content Lead** at GeeksforGeeks Student Chapter ABESEC, managing content development and fostering a vibrant learning community.
- Coordinated and executed events as a **Core Team member** of Genero, the annual college fest.
- Serving as a **Core team member** of Minerva, the literary society, fueling creative expression and growth via engaging literary activities and workshops.
